21.7%

Participants in vessel programming by age group and year

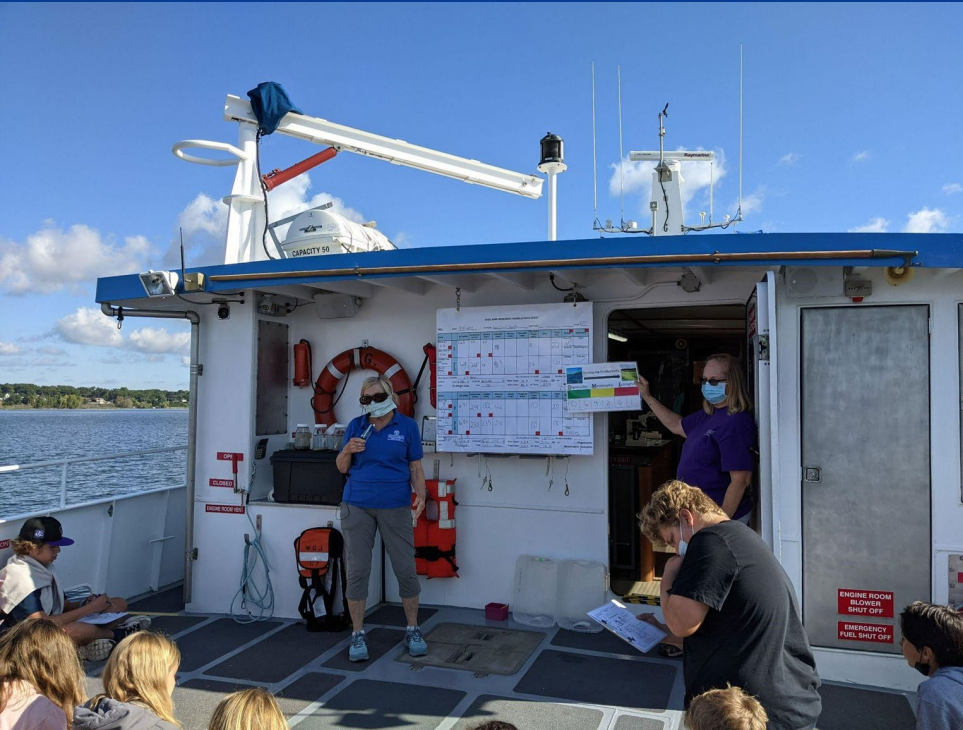

COVID-19 Response

- Cancelled Spring and Fall 2020, and Spring 2021
- Developed protocols based on current state, local, GVSU, Coast Guard, and CDC requirements and guidelines
- Pre-cruise: all visitors and staff filled out GVSU self-assessment

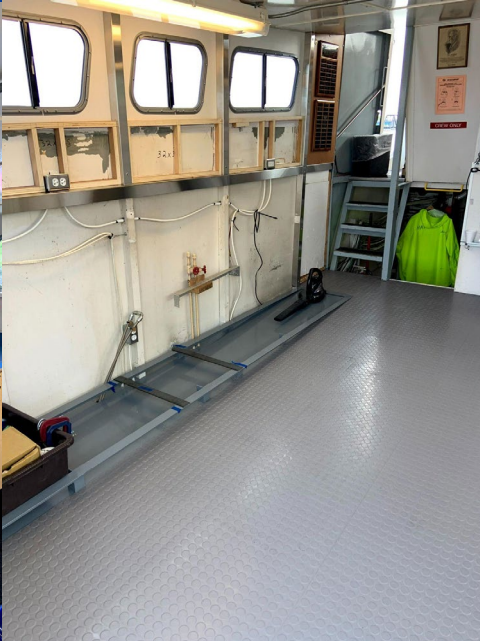

COVID-19 Adapted trips

- Masks required indoors, optional outdoors
- Reduced capacity in lab
- More activities conducted outdoors
- Social distancing as possible
- AC off, windows open
- Rigorous sanitation protocols
- Split crews

- No known cases in staff or participants!
