Members and Friends of the Great Lakes Captains Association and Great Lakes Association of Science Ships would like to invite you to our Industry Days Conference, January 12 – 14, 2010, at the Great Wolf Lodge & Waterpark, Traverse City, Michigan.

We chose this location because of the additional space for needed conference rooms and the water park which your entire family can enjoy. The room rate is \$65.00 nightly and reservations may be made by calling 1-866-974-9653. Please make sure you tell them you will be attending the Industry Days conference to get the special rate. Late checkout is available for those attending Friday's sessions.

As you look at the agenda, you will see that we have provided speakers and topics that many have asked to have. Bob Schallip will do a class on Basic Hydraulics Thursday morning and a more advanced session during the breakout sessions Thursday afternoon. For the sake of the breakout sessions, we ask that you forward any questions to us now, so we may relay them to the Coast Guard personnel that will be addressing your questions and concerns. More info is available at www.glca.info.

Tom Crane has requested that you check the box provided on the registration form if you will be attending the GLASS session on Tuesday, January 11th.

Wednesday evening: 1830-2130 hours will be our Vendor's Reception, with snacks and beer. It will give you a good chance to meet with our vendors. The drawing for the ship raffle will also take place at 2100 hours.

Thursday evening, 1830-???? Will be Casino Nite with "Handy Billy" providing music. Our Silent Auction runs through the whole conference and will end during the evening. Snacks and beer will be provided.

If anyone is interested in applying for a "Hawsepiper" scholarship, or knows someone who is, please fill out the form and submit it to Jack Cork, no later than January 1st. The form can be downloaded from the information page on our web site, www.glca.info.

Prizes and gifts are needed for our Silent Auction & Door prizes. Thanks in advance. Also, dealers are needed for Casino Nite.

See you all January 12, 2011, and don't forget your swimsuit!

Jack
